

Build your own County THAUMATROPE

- Wexford -

Cut along the dotted lines

Did you know?

If history and cultural heritage is your passion, in Wexford there is the **Irish National Heritage Park Ferrycarrig** where you can learn about history from the stone age.

Fun fact!

Hook Lighthouse is the oldest lighthouse still in operation in the world. The tower dates back to the 12th century, but local monks had established a form of beacon as early as the 5th century.
